See reverse for information on how to transfer your current account

From the 1st of August your current Club Bistrot Pierre card will no longer work

We would love if you could download our new app and enjoy our new reward scheme, however if you don't have access to a smartphone or you're unsure on how to use apps, then don't worry; we have an alternative for our existing Club Bistrot Members

- 1 If you haven't already, please ask a member of the team to register your current Club Bistrot Pierre card with a valid email address.

- 2 Once you're registered, you will automatically be transferred over to our new loyalty scheme.

- 3 After the 1st of August, please speak to a member of the team, who will arrange a new card for you with an exclusive Club Bistrot Pierre member number. You may have to pop back and get this on your second visit.

Alternatively, if you drop us an email at least 5 days before at questions@pierre94.co.uk ahead of your visit, we can have this ready for you on arrival.

Have any further questions about your current card or the new scheme? Email us at questions@pierre94.co.uk or visit our web page for more information bistrotpierre.co.uk/club
