The image shows the exterior of a Bistrot Pierre restaurant at night. The building has a classic architectural style with a large, multi-story glass facade. The name "BISTROT PIERRE" is prominently displayed in large, illuminated letters above the upper floor windows. The ground floor features large glass doors and windows, through which the interior is visible. Outside, there are several tables and chairs set up for outdoor seating. The overall scene is dimly lit, with the primary light sources being the building's signage and interior lights.
